Western Section American Urological Association (WSAUA) Disclosure Statement

In order to ensure balance, independence, objectivity, and scientific rigor in all WSAUA educational and governance activities, individuals participating in such activities are expected to disclose their private financial or institutional interests related to health care or to WSAUA activities, business transactions, presentations or publications. WSAUA does not view the existence of these interests or commitments as necessarily implying bias or decreasing the value of participation in organization activities. The intent of disclosure is to allow others to make an informed decision about the existence and impact of potential conflicts – including necessity for refusal or disqualification under extraordinary circumstances.
