Comments about the meeting overall:

Great meeting!
 Program great! Venue was great! The people were great! Thanks DeSantis Management.
 Great!
 It would have been better to hold the meeting on the Las Vegas strip.
 I liked this site better than the site at Lake Las Vegas.
 Excellent.
 Continue your good work!
 Band was too loud. I missed the formality of the sit down dinner.
 Fantastic meeting.
 Yes, I enjoyed Las Vegas. No, I did not enjoy Summerlin.
 As I live in Summerlin, this was very convenient for me to attend.
 Good job!!! Thank you!
 Prefer the Bellagio.
 Not sure there were many take home messages for my practice.
 Excellent.
 Venue was too far from downtown Las Vegas.
 It would be nice to have the meeting on the strip.
 Not much going on to keep everyone here, lots were staying on the strip.
 Cigarette smoke came through the ventilation system into our room late 2 nites.
 Excellent work by the DeSantis Group, Jeannie & Chris worked very hard & were very prepared.

Excellent meeting.

Comments about the meeting overall: (Continued)

Location off the strip was disappointing.

I stayed on "the strip" and commuted to the marriot each day-20 minute ride. There was more to do in Las Vegas than Summerlin. This was the 1st WSAUA meeting I attended. I look forward to attending more.

Well done. Heavy science, but great variety-the way it should be done.

Would cut out duplication of presentations in future. i.e., AUA old presentation not worth while for WSAUA.

Prefer sit-down banquet for president's party & quieter-danceable band.

Choose a hotel venue closer to civilization!!

Food quality at Wednesday's banquet was suboptimal for the cost/price.

Well run, well organized.

Very good.

Summerlin too far from the strip.

Another great meeting. Would have appreciated a little more time to spend in Exhibit hall.

How about a Wed-Sunday time frame instead? Would be easier to work around job/kids school schedule, etc.

But great meeting, great time-you do a wonderful job!!

Very informative/fun/worth it. Thank you! Send me info about next years meeting in Hawaii.
